

## Designation of July as Parks and Recreation Month

Since 1985, America has celebrated July as the nation's official Park and Recreation Month. Created by the National Recreation and Park Association (NRPA), Park and Recreation Month specifically highlights the vital and powerful role local park and recreation professionals, such as our staff at Mont Belvieu, play in conservation, health and well-being, and social equity efforts in communities all across the country.

Whereas, July is the perfect time to highlight all the benefits park and recreation professionals provide right here in Mont Belvieu, as we have seen influx of residents utilizing our Parks, Trails and enjoying time with family.

Whereas, Mont Belvieu is leading initiatives and providing opportunities for people of all ages to achieve healthier lifestyles, promote and understand nature and conservation as well as bringing the community closer through a variety of programs and services.

NOW THEREFORE, BE IT PROCLAIMED BY the City of Mont Belvieu that July is recognized as Parks and Recreation Month in the City of Mont Belvieu.
